EASY INFORMATION FOR PARENTS

## GO ON A TREASURE HUNT

### Create a treasure hunt with your child's favourite toys.

- Pick a letter. Find toys/objects that start with that letter.
- Hide the objects around the house.
- Talk about the sound the letter makes.

#### Tip:

For younger children you may need to hide objects in plain sight and guide them by saying things like "Where is turtle hiding?" or "Can you see the red truck?"

For older children, add in a homemade treasure map for them to follow!
