

This is a simple way to practice spinning with the little ones in your program. From Chippewa Falls Public Library Kids

Washing Machine Song

We're washing in the washing in the washing machine
washing in the washing in the washing machine
washing in the washing in the washing machine
spin around and now we're clean

we are jumping in the jumping in the jumping machine
jumping in the jumping in the jumping machine
jumping in the jumping in the jumping machine
spin around and now we're clean

we're twirling in the twirling in the twirling machine
twirling in the twirling in the twirling machine
twirling in the twirling in the twirling machine
spin around and now we're clean

Here is a [video](#) with words and actions.

Infuse joy and excitement into this song by integrating your own and original actions." Have fun!
